You can deduct the full purchase price of equipment from your gross income up to \$1,080,000.

Section 179 of the 2022 IRS tax code encourages businesses to invest in equipment by allowing them to deduct the full purchase price of equipment up to \$1,080,000, with a total equipment purchase limit of \$2.7 million. This deduction includes purchases and leases of both new and used equipment.

In addition, businesses can take advantage of 100% bonus depreciation on both new and used equipment for the entirety of 2022.

Take advantage of the IRS 179 for substantial tax savings and get a huge return on your investment!
